Happened on vacation	Involved an animal	There are photos	Was more than 5 years ago	Someone forgot something
We saw something amazing	It was cold outside	There was water	Everyone involved is here now	Happened in this place
It was a holiday	There was dessert		We were dressed up	It involved a secret of some kind
Was within the last 5 years	Happened during a family meal	It's embarrassing for someone	Mistakes were made	There are no photos
We learned something new	There was a mess	There was a special event	One person doesn't remember	Happened in a car or plane
