- Where do you hope to see yourself in five years?
- If you could work at any job in the world, what would your job be and where would you want to work?
- What is something you've always wanted to do? What has prevented you from doing it?
- Finish this sentence: "One day, I will be known for...."
- If you could do one thing to make the world a better place, what would you choose, and why?
